FRASER FIGURE SKATING CLUB

Aspire to be More

- Aspire to discover a new passion
- Aspire to become your best
- Aspire to personal excellence
- Aspire to make training fun
- Aspire to be a figure skater!

Have you passed Learn to Skate Basic Three?

If so, you are eligible for a fun and affordable packaged program designed for aspiring figure skaters.

You will be able to test out different disciplines of figure skating and learn about testing and competing and everything in between from a qualified figure skating coaching staff.

This program includes an Aspire membership with U.S. Figure Skating. Other benefits include:

- Continuation of small group lessons
- Individual practice time on club ice
- Access to professional coaches for private lessons
- Privilege to represent the Fraser Figure Skating Club at competitions
- Privilege to begin testing under the U.S. Figure Skating test structure
- Skating Magazine
- Summer Sizzle Recital, Holiday Extravaganza, and Springtime on Ice performance opportunities exclusive to club members
- Invitation to the club banquet, and participation in other club events

Aspire Program

Eight weeks, includes partial instruction and individual practice time.

Mondays, September 11-October 30

On-ice: 5:10 – 6:00 pm

Off-ice: 6:15 – 7:00 pm

Cost: \$245

Must purchase an Aspire membership, good for the entire skating season ending June 30, 2024 (\$40).

Aspire is the bridge to cross from skater to figure skater.

Aspire will expose you to multiple disciplines of figure skating, including skating skills, singles, ice dancing, synchronized skating, and more!
